SWAZ

GAFFERS NOTES

LEE HOBBS

MANAGER

Good afternoon everyone and welcome to Bolitho Park for today's game against Cadbury Heath. I hope their staff, management, players and supporters enjoy their time here with us today.

Unfortunately Cadbury Heath are one of the four teams in the league who have been affected by the coronavirus and had to implement the mandatory quarantine period which ended yesterday. We hope those affected have fully recovered and they are now clear to resume playing. The visitors last played on 3 October going down to a 4-0 defeat to Cribbs. They were also forced to forfeit their FA Vase fixture and are now out of the competition. Their form in the league prior to their fixture suspension was mixed with 3 wins and 5 defeats. I've no doubt they'll be raring to go today after their enforced lay off, keen to resume playing and they will provide us with a stiff challenge for which we must be fully prepared.

I was disappointed with the outcome of the Wellington game, particularly our first half display where I thought we were off the pace against a team we had beaten convincingly only 17 days earlier. Despite a much improved second half display where we upped our game and created numerous chances, we were unable to break down a resolute defence and benefited from 2 penalties in the game to get the draw and remain

undefeated. Going behind twice in the first half gave us a bit too much to do in the second half and proved once again that no games in the league are a given and we cannot afford to become complacent and expect to win every game. As I've repeatedly said, anyone can beat anyone on their day and Saturday was almost one of those days for us. Credit to Wellington who stuck to their game plan, worked hard all over the pitch and ultimately we weren't didn't do enough on the day. Lessons have been learnt and I'll be looking for a positive response from the players today to get back on the winning track and hopefully go on another unbeaten run.

Results elsewhere on Saturday saw second placed Street defeated meaning our lead at the top of the table stretched to 10 points. Bradford and Cribbs had midweek wins along with Tavistock who moved up to second place by winning one of their games in hand at Wellington and are now 10 points behind having played 2 games less. Exmouth, also playing one of their games in hand, lost at home to Shepton Mallet, their first home defeat in 2 years. Unfortunately Bitton are another team who have recently had positive tests of the virus within their squad and have had all their fixtures postponed up to 3rd November. Consequently the table is beginning to have a rather unbalanced look with teams having played a differing number of games. All we can do is hope our future fixtures are not disrupted, take each game as it comes, stay

focussed on our own performances, maintain our high standards and see where it takes us.

Again, a big thank you to all our supporters as this game is another Bolitho Park sell out which makes it seven on the spin. I think you have all enjoyed some fine football over the weeks and we hope this continues tomorrow.

Enjoy thr game and may the best team win.

LEE

Resident Parkway DJ Chris Trace always delivers on match days as he gets fans ready for the 90 minutes with a carefully selected playlist

Here is the Halloween inspired playlist for today's game against Cadbury Heath

TOOLSTATION COVID - 19

LETS KEEP PLAYING, KEEP WATCHING AND FOLLOW THE GUIDANCE

The Toolstation Western League is asking fans to support their local football clubs on and off the field this season by observing the Covid-19 guidance. Whilst specific guidance varies from Club to Club, depending on their facilities, supporters are being asked to observe social distancing and avoid close contact with others not in their social or support bubble.

If fans need to access any of the ground's amenities, such as toilets, food and drink outlets, they should check to see if any of them are not in use, and plan accordingly. Maintaining good hand hygiene, using sanitiser dispensers is also advised. Sadly, fans are still being urged to take extreme care when singing or celebrating, avoiding hugs, high-fives and any close contact with anyone not in their household. Like all its Clubs, the Western League has appointed a Covid Officer.

Since his appointment George McCaffery has been supporting Club Officials with their Covid questions. Unlike professional entertainment venues, Non-league football is run by an army of volunteers, who must now ensure their games are Covid compliant, along with the host of other responsibilities they've agreed to undertake on a match day.

George's message to fans is simple, "let's keep playing, keep watching and follow the guidance. We all have a part to play in defeating the virus, especially fans. Don't wait to be told what to do. Use your common sense and support your local Club by helping the volunteers make sure that everything is Covid compliant. If you have any concerns about how a Club is implementing its Covid-19 Risk Assessment, please contact a Club Official, either in person or by email. Remember that whatever your hope for your Club this season, Covid-19 is the one opponent we all want to beat."

HARRISON DAVIS

Summer signings are always a big talking point throughout the non-league circle. Some may go who? Why? And why did we get rid of those players in the first place? For Harrison Davis, Plymouth Parkway has become a home for a player who was low on confidence and not enjoying his football.

The young winger has been converted to an attacking right back and the former Southampton academy player has brought a smile to every Parkway fan who has had the pleasure of watching the No.2 in action. This culminated in H winning the converted player of the month award for September.

Davis went under the radar for a large period of pre-season with the attention turning to names people were familiar with including Matt Wright, Mike Landricombe and Stevie Colwell.

It was the manager Lee Hobbs who knew he had a hidden gem in his squad and as the pre-season schedule rolled on, Davis soon became the talk of the town. Davis is not your typical footballer off the pitch as the youngster is a quiet figure but one that is firmly part of the Parkway family.

A passion for Golf to boot, H looks like he is enjoying his football once

again, which will only bode well for Parkway as the season continues.

As will the search for a top bin spectacular from the boot of the talented right back

A VIEW FROM THE CROW'S NEST

Eleven games in, undefeated and some fantastic football on show... Not much more to add really but let's try!

It's been a superb start to the 2020/21 Western League season for Lee Hobbs and his new Parkway ensemble but the same old mantra of one game at a time always reverberates loudest around Bolitho Park.

Yes, the start has been quick, rapid and with only a few glitches along the way but that's no more than this squad of players would have hoped for as Southern League pedigree is now sprinkled throughout the dressing room. 36 goals in 11 games is a statement in itself as Parkways goal difference is by far the best in the division as the Devon side sit top of the Western League perch.

It's a perch they have become a custom to after entering the Western League three years ago, but it's a perch that has eluded them on the final day of the season as first Willand then Coronavirus would spoil the party.

Can they go one better this season? On the early showing yes, of course they can. They have newfound swagger in the shape of Matt Wright and River Allen, but they also have their Achilles Heel which haunted them last season as the so-called weaker teams would make life tricky at Bolitho!

To be fair, Wellington probably had the best defensive shape that an away side has travelled to Bolitho with so far and a game plan which was executed perfectly during the first 45 mins. Second half was more of a scrambled mess to hold onto their lead, but they did what they needed to do and should be applauded for that.

Here in lies the problem we feel Parkway have, it's all eyes on them and that's the way it will be, and it will be **RELENTLESS** this season! Maybe that's the way it's gonna be and Lee and his squad will be more than aware of that. And they should be with the "ridiculously large budget" (as mentioned in recent match reports) they are on? (Frown emoji) Definitely not ridiculous and working within the club means but this will continue to be written we are sure!

Peel back the politics and pressure and what are you left with? You are left with a manager, a coach, a back-room staff and a squad of players that have an abundance of talent which Plymouth are lucky to have! It's a squad that are filled with local lads who are proud to wear the shirt and it's a season that will be full of excitement, despair and probably the odd swear word along the way!

We've enjoyed it so far and we hope Coronavirus doesn't spoil the party again, along with that damn winter weather! Lee said the honeymoon period was over last weekend, but we have many years before the

seven-year itch kicks in! It begins again this Saturday as another sell-out crowd gear up for the next instalment of this seasons Plymouth Parkway story.

CADBURY HEATH

1894

THE HEATHENS

SPRINGFIELD

TOOLSTATION WESTERN LEAGUE

RED & WHITE

The Club was first established in 1894 by Cadbury Heath Adult School (later to be known as Cadbury Heath Primary School) when Cadbury Heath was just a little narrow, one-street village, way outside the boundaries of Bristol.

Our first pitch was situated at Mill Lane, changing in the Social Club and heating up water for tin baths. With a break for the War years, and the transferring to what is now Coronation Park, we progressed from the Bristol & District League to Division Two of the Bristol Premier Combination, and then to Division One in 1961, after winning the GFA Junior Cup in 1950. In the 60's the team (only a first team then) built their own baths at the Social Club.

This period of success coincided with the renting of our present ground - Springfield - for £10 per annum from a local farmer and President Jim Warner. This was then an open pasture land with cows, a rope had to be put around the playing area. It had no Electricity Water or Drainage. The tea bar was a garden shed. The offer to purchase for £250 was short-sighted declined, as the field was later sold as part of major development land and only intense lobbying led by the then Chairman, Mike Packer persuaded the Council to allocate Springfield as part of Public Open Space leased to the Football Club for dual use.

After five years of planning tribulations Floodlights were successfully installed at the end of season 2008/2009 this being Phase one of Heaths redevelopment plan, being largely due to the efforts of Chairman Steve Plenty. The Heath and The Social Club went their separate ways in season 2011/12.

Andy Black joined the club for his third spell in season 2010/11 appointing Glenn Smart as his assistant culminating in the first division championship and promotion to the Premier Div. in season 2011/12. Then followed two good seasons in the premier division with the last two seasons being a period of trying to rebuild the side after most of the original players either retiring or moving on to higher level football. Phase two, is in the planning stage which is for a new dressing room facility incorporating a new clubhouse & new 100 seat stand with a covered area for a further 100.

During season 2015-2016 Roger Coke joined the club as coach. Season 2016-2017 starts with a new first team coach Phillip Bater Ex Bristol Rovers and the introduction of a U18 side who will be playing in the Bristol & Glos U18 league. Mid season Rob Mallett joined the coaching staff to assist Andy Black. First team won the GFA Challenge Trophy beating Fairfield Town 4-3 On penalties. End of season

Andy Black resigned as manager and became director of football. Season 2017-2018, Rob Mallett was appointed first team manager. Season 2018-2019 Andy Black was appointed first team manager. 2019-2020 John Black has joined the management team. Season 2020-2021 Mitchell Hodge was appointed first team manager assisted by Aaron Day.

PLYMOUTH PARKWAY UNDER 12'S

From Humble Beginnings...

Mark Smith stepped into life at Plymouth Parkway with an uphill task set out in front of him. Stepping into the dugout of the Under 11's during the 18/19 season, Mark would try and build a side that had seen two managers part company with the squad over the space of two years.

Yes, youth football isn't all about winning but to all concerned, it definitely helps. Mark explains: "When me and Jordan (Mark's son) took over, we recruited a few coaches and players ready for the start of the 19/20 season and we managed an end to end 4-4 draw." That result breathed life into the team and a new

ethos around the squad with enjoyment of their football firmly placed at the centre.

Despite conceding 4 goals, the relief of and enjoyment of hitting 4 goals was evident in both players, management and supporters. It laid a foundation for the season as the club went 8 games unbeaten before drawing four and losing two as the squad began to make a name for itself.

The Under 12's will try and replicate their form ahead of this seasons campaign in the Under 12 Wasp division which begins in earnest this month.

Mark adds: "We like to have a team of 15 players and

give all the squad as much game time as possible. We see this team as a family unit and the best part is that we are supported by fantastic parents who are willing to muck in and help wherever possible and always give the lads tremendous support."

Youth Football gives the lads the chance to mix with other peers and gives the players the opportunities to keep active, focus on their football development and build a foundation for the future in all areas of life - Mark Smith PPFC Under 12's manage

Enjoy it lads and keep smiling.

MATCH REPORT

PARKWAY

2

WELLINGTON

2

By Graham Lloyd

Parkway Sports reporter

PARKWAY 2 (Richards pen 38, pen 83)
WELLINGTON 2 (M Quick 26, Howe 45+2)

The game got off to a slow start with both sides taking a while to settle with Parkway having the majority of possession and Wellington looking to contain. Parkway created a half chance on 6 minutes with Levi Landricombe seeing his shot blocked after good link up play between River Allen and Ryan Lane.

With Parkway struggling to gain control in midfield, a Wellington break on 16 minutes saw a close range effort from Oliver Holman blocked and cleared. Allen then found Krac in space with his shot from just outside the 18 yard area being saved by Tom Welch at the second attempt. With Parkway now beginning to show more composure, on 18 minutes a smart interchange between Landricombe and Richards saw the latter's shot blocked with Landricombe's follow up effort rattling the cross bar. Parkway continued to dominate possession and look to work an opening but too often their passing was sloppy and their final ball lacking quality. Wellington were battling hard in midfield and looking to play on the break.

On 23 minutes a driving run into the 18

yard area by Landricombe saw his shot well smothered by Welch. On 24 minutes a penetrating run along the right by Harrison Davis ended with his deep cross being sliced well wide on the volley by Richards. With Parkway continuing to lack precision in their passing and leaving gaps in midfield, the visitors took the lead on 26 minutes.

Against the run of play a quick break along the left exposed the Parkway flank with the ball being pulled back to the unmarked Miles Quick in the centre of the 18 yard box who finished calmly from around 10 yards. Parkway continued to have the majority of possession but their play lacked intensity or direction and apart from a couple of long range efforts, rarely threatened the visitor's goal.

Wellington looking well organised continued to frustrate the Parkway midfield and another break along the right on 34 minutes, saw Dan Williams shoot just over. With the Parkway defence being stretched on the break, on 35 minutes Kyle Moore was forced to race from his goal and concede a free kick just outside the penalty area for which he received the game's first yellow card. Landricombe was the next to be cautioned presumably for remarks made to the referee. Parkway continued to look for an opening against determined opponents and on 38 minutes drew level somewhat fortuitously. The unfortunate Josh Champion was adjudged to have handled the ball in the area with Richards making no mistake from the spot. Parkway almost went ahead moments later when Matt Wright saw his diving header go agonisingly wide after a precise cross from the left by Lane.

With Wellington looking to play balls into space along the Parkway flanks, another break on 41 minutes saw Scott Merrit go clear wide on the right only for his angled chip to clip the top of the bar. Wellington's next attack was halted by a foul midway inside the Parkway half with Callum Hall picking up a yellow card as the visitors finished the half the stronger, retaking the lead in stoppage time. A corner on the right was headed against the near post by Dan Williams and with Parkway unable to

clear the loose ball, Jesse Howe reacted the quickest to turn the ball over the line from close range. A bitty, disjointed half from Parkway who were unable to exert midfield control against a hard working Wellington who took advantage of some hesitant defending to convert their few chances. Parkway, despite having the majority of possession, lacked the cutting edge in the final third with Wellington defending solidly and Welch rarely being tested.

Parkway started the second half at a higher tempo with an Allen free kick being well defended on 47 minutes and a Krac effort on the turn going narrowly wide on 53 minutes. Billy Palfrey replaced Krac shortly afterwards. Merritt saw yellow for a foul on 54 minutes as Parkway began to apply pressure and play with much more intensity.

On the hour Landricombe and Wright were replaced by Mikey Williams and Veal as Parkway began to look far more threatening but still unable to breach the visitor's back line. On 61 minutes a determined run and cross by Davis found Richards whose acrobatic volley forced a superb save from Welch. Hall then saw an effort fly just over with Williams also seeing his shot go narrowly wide as the Wellington goal lead a charmed life. The substitutions had certainly injected an impetus into Parkway's play with Palfrey influential in midfield spraying passes to the flanks bringing Lane and Davis more into the game. As Parkway continued to press, Wellington made their first change on 64 minutes with Cameron Sanford replacing Howe. On 65 minutes more good play from Williams saw his cross find Veal who shot just wide. Veal then turned provider with a determined run along the left ending with his cross finding the unmarked Williams who spooned over a golden opportunity from 10 yards.

Parkway continued to threaten creating chance after chance but the Wellington defence held firm managing to block efforts from Williams, Veal and Allen. On 70 minutes a slick Parkway move down the right saw a Davis cross find Allen whose shot was superbly saved by Welch. Josh Baker then replaced Dan Williams as Wellington looked to break up play and slow the game down. Parkway were now in total control and

looking dangerous with every attack but a lack of composure at crucial moments coupled with last ditch defending from Wellington denied the hosts an equaliser. Wellington made their final change on 79 minutes with Mason Raymond replacing Merritt with Miles Quick picking up a yellow card soon after for illegally halting another attack. As the pressure mounted, Parkway won a series of free kicks and corners and from a corner on 83 minutes they were awarded their second penalty after the referee spotted Palfrey being bundled over in a crowd of bodies.

Up stepped man of the match Richards and, displaying calmness under pressure, confidently slammed home the spot kick sending Welch the wrong way. With Parkway now throwing everything forward searching for a winner, on 87 minutes Allen's shot from distance was gathered by Welch at the second attempt with the final action seeing a Rob Farkins header at the far post go back across the 6 yard area and fly narrowly wide. Wellington clung on to the end to share the spoils and in doing so denied Parkway their tenth victory.

You can find all of Graham's reports from the season so far over on the official Plymouth Parkway Website

SPOT THE BALL

An old favourite makes a welcome return to the Parkway Review to cheer us up during these uncertain times. The idea originated back in 1973 when newspapers introduced it on Saturday mornings and it still works in today's digital market.

So, the club are delighted to add our Parkway take on the classic game.

Over to you Parkway fans, after our recent news that our links with Plymouth Argyle are growing, can you guess which ball Billy Palfrey is releasing. For a bonus point, who scored the two goals for Argyle in that 2019 friendly? Get involved and Tweet your answers to us @PlymouthPFC using the hash tag #SpotTheYellowBall Good luck to you all #ppfc

It's a white ball this time but let's not worry about that.
